

Planned recreation to engage bodies and minds.

Community Memorial Assisted Living provides tenants with access to 24-hour trained staff on site.

Our trained staff provides health monitoring and complete medicine management for Assisted Living tenants.

Assisted Living tenants are provided transportation services with our easily accessible van.

Kitchenettes come with appliances included.

Our facility features a complete in-house salon.

Tenants are provided three choice meals each day.

# FIND YOUR HOME WITH US

Assisted Living promotes independent lifestyles while providing assistance in areas of daily support services and personal care.

Apartments provide the tenant with security while promoting independence and privacy. Tenants can decorate and furnish their apartment with personal belongings, making your apartment more cozy.

Check out our website for more information or visit our Facebook page to view a 360-degree tour of your future room!
