Karina Bishop, M.D.

Medical Director

May 4, 2021,

To Our Residents, Resident Representatives and Family Members:

We are excited to announce Indoor Visitation continues, so please reach out to your social worker for an appointment. Also, if you have a copy of your vaccination card, please bring a copy of your card along with you to your visit.

We will continue to follow all guidance regarding infection control measures to maintain the safety of all our residents, visitors, and staff. Currently, we are providing twice weekly Covid-19 testing of all unvaccinated staff members in an effort to stop any spread of the virus within the facility.

As of today, we have the following:

Total Positive diagnosis for COVID-19: 1

Residents within the facility – 0

Residents outside the facility - 0

Staff- 1

Due to the positive case, we will cease visitation in certain areas of the facility until we can complete 1 week of testing. If no additional cases are found, we will resume visitation in the affected units. We apologize for the inconvenience as we know this has been a very challenging year.

Looking forward to seeing you all very soon. Stay well!

Sincerely,

DCHC Administration
