To Our Residents, Resident Representatives and Family Members:

We currently are experiencing an increase in Covid-19 cases amongst our staff. We currently have 4 neighborhoods under quarantine and so visitation and outings will be on hold until cleared.

We will continue to follow all guidance regarding infection control measures to maintain the safety of all our residents, visitors, and staff. Currently, we are providing twice weekly Covid-19 testing of all staff members in an effort to stop any spread of the virus within the facility.

As of today, we have the following:

Total Positive diagnosis for COVID-19: 4
Residents within the facility – 0
Residents outside the facility - 0
Staff- 4

As the transmission of Covid-19 is growing in the community, we do ask if you are feeling ill or have been exposed to someone with Covid-19, please refrain from visiting. Also, as the residents enjoy outings, please help to keep everyone safe as the cases are on the rise. Looking forward to seeing you all very soon. Stay well!

Sincerely,

DCHC Administration
