To Our Residents, Resident Representatives and Family Members:

We currently have no quarantines or visitation restrictions throughout the facility. Please come and enjoy a visit with your loved one. The Holidays are fast approaching and looking forward to having our Neighborhood Christmas Teas on December 12th, 2021. Please contact your social worker for further details.

We will continue to follow all guidance regarding infection control measures to maintain the safety of all our residents, visitors, and staff. Currently, we are providing twice weekly Covid-19 testing of all unvaccinated staff members in an effort to stop any spread of the virus within the facility.

As of today, we have the following:

Total Positive diagnosis for COVID-19: 0

Residents within the facility – 0

Residents outside the facility - 0

Staff- 1

Resident Vaccination Rate: 98%

Staff Vaccination Rate: 95%

As the transmission of Covid-19 is growing in the community, we do ask if you are feeling ill or have been exposed to someone with Covid-19, please refrain from visiting. Also, as the residents enjoy outings, please help to keep everyone safe as the cases are on the rise. Looking forward to seeing you all very soon. Stay well!

Sincerely,

DCHC Administration
