Medical Director

December 27, 2021 30th, 2021

To Our Residents, Resident Representatives and Family Members:

We currently have four neighborhoods on quarantine due to possible staff exposure. At this time, there is no visitation restrictions throughout the facility. However, when visiting please stop at the front desk and they can inform you of any neighborhoods that are in quarantine. We do ask you to social distance from other residents and staff and wear a mask when visiting your loved one.

We will continue to follow all guidance regarding infection control measures to maintain the safety of all our residents, visitors, and staff. Currently, we are providing twice weekly Covid-19 testing of all unvaccinated staff members in an effort to stop any spread of the virus within the facility.

As of today, we have the following:

Total Positive diagnosis for COVID-19: 0

Residents within the facility – 0

Residents outside the facility - 0

Staff- 6

Resident Vaccination Rate: 98%

Staff Vaccination Rate: 95%

As the transmission of Covid-19 is growing in the community, we do ask if you are feeling ill or have been exposed to someone with Covid-19, please refrain from visiting. Also, as the residents enjoy outings, please help to keep everyone safe as the cases are on the rise. Looking forward to seeing you all very soon.
Happy New Year!

Sincerely,

DCHC Administration
