To Our Residents, Resident Representatives and Family Members:

We currently have three neighborhoods with active cases of Covid-19 .However, when visiting please stop at the front desk and they can inform you of any status updates for the facility. We do ask you to social distance from other residents and staff and wear a mask when visiting your loved one.

We will continue to follow all guidance regarding infection control measures to maintain the safety of all our residents, visitors, and staff. Currently, we are continuing to screen all visitors upon entry to the facility. Please postpone your visit if you are not feeling well or if you have been exposed to others with Covid-19. Our vaccination rate for both staff and residents are higher than the State and National averages

**As of today, we have the following:**

**Total Positive diagnosis for COVID-19:**

**Residents within the facility –1**

**Residents outside the facility - 0**

**Staff- 1**

**Resident Vaccination Rate: 98%**

**Staff Vaccination Rate: 99%**

**Staff Booster Rates: 65%**

**Resident Booster Rates: 92%**

We will continue to provide updates as things change and progress throughout the facility.

Sincerely,

DCHC Administration
