

Whitefish Care and Rehab

At Whitefish Care and Rehab your care and rehabilitation are our number one priority. We understand that there are many other places you, or your loved one can go, which is why we do our best to be the best. Nestled in the picturesque heart of Whitefish we are surrounded by a residential neighborhood and Whitefish Mountain Resort. From our dining room you can enjoy the wildlife and breathtaking views of the the Whitefish Range. Glacier National Park is just minutes away for residents and family to enjoy. We offer private rooms, 24/7 nursing care, activities 7 days a week, speech therapy, occupational therapy, physical therapy, and a van to take residents to their appointments. North Valley Hospital is just minutes away for any hospital needs. Our goal is to get you better and get you home to your loved ones!

Medicare, Medicaid, Blue Cross Blue Shield, Humana, and VA are all accepted.
