

Welcome to our Sterling Court newsletter! We are thrilled to share with you the latest developments to make a positive impact in our community.

Firstly, we would like to express our gratitude to all of our residents, families, visitors, staff, and volunteers who have continued to support us during these challenging times. Your understanding and dedication have allowed us to start updating and refreshing our community while running smoothly and effectively.

In terms of our recent activities, we had a successful Easter Dinner with the residents and their families. We have several exciting activities to look forward to in the month of April and start preparing for in May. In the month of April we will be hosting our first annual electric wheelchair races. Our amazing Maintenance Director, Mark, has put a lot of effort into scheduling the event.

Mark and his amazing maintenance team have continued to work hard in painting the hallways and common areas. They are doing a fantastic job in giving our building a refreshed look.

We would like to give a huge shout out to the housekeeping department. Jaecee and her team have worked extremely hard to keep resident apartments along with the common areas clean and sanitary.

We are excited to announce Lamar Hales as the resident of the month and Emma Johnson as the employee of the month for April 2024.

Together, we can make a real difference in the lives of those who need it most. Thank you for your continued support!

Enjoy this month's newsletter!
