## We can help!

We take cases  
from all over  
California

*We are a group of Nurses whose passion for helping people inspired us to provide post-hospital care for clients recovering from a stroke or traumatic brain injury and other complex or high acuity care conditions.*

*Congregate Living Health Facility (CLHF) and Residential Assisted Living Facilities (ALF) where residents with complex care needs can go after hospitalization, when they're not ready to go home yet, or as their permanent home.*

*Managed by Nurses with Medical oversight and support.*
